The Sheep Question.

It seems that, in the West at least, farmers are rushing out of wool raising with about as much heedlessness and judgement Alping Soft Hars, that they are selling as they rushed into it. We give the following to show our readers the panic that rages in some quarters. A correspondent of the ing just been added to our job depart- New York Ecosomist, writes to that paper ment gives us increased facilities for as follows, under date of Bucyrus, Craw-

"All the wool in this part of the State sold. In fact I think the whole West is about cleared out. Far and near the grow-BOOK STORE .- John McGregor has ers are selling the poorest sheep from 30 to 50 cents a head to slaughter, and to be fe to hogs. \$1 will buy the choice of flocks: \$2 will buy the Vermont \$500 bucks; goo bye to Vermont. I am of the honest opin ion that one-third of the sheep if not one-Sheet music supplied to order at half, will be out of the country before another clip. We have had two supplies another clip. other clip. We have had two summers of drouth, and it has caused sheep to run de wn in condition, and, with 40 cents for wool, " will be enabled to pay more attention to to build the new railroad? The opportunity presents itself; let us avail ourselves of pulled wools this winter than ever before. the present opportunity and what the future A good time to buy pelts. I never expect to see the wool interest in this country so

S. Howard, Esv., Lansing, Michigan, writes to the Country Gentlemen, that du ing a recent trip in Hillsdale county he found the disposition prevailing extensively to sell off sheep at any sacrifice, with the view of getting cows and establishing cheese factories; that some who have bought so called "Paulers" and "Infantados" within a few years at high prices, are now selling but transacted no other business than allowthem at a dollar or two per head; that a flock of fifty sheep lately changed hands at 621 cents, and that sheep slaughtering is shortly to be commenced at Reading on a large scale, for the sake of the pelts and talwool reached its lowest point some time since, and the article has lately been gradually advancing. There is no prospect of its being lower, but on the contrary there are Canton, O. ndications that the clip of the coming sea-

son will be in demand at fair prices. The Onto FARMER, of last week, give

The sheep tlocks of Ohio are being slaughmany in 1763, and has residedfin this county | tered at a terrible rate. From all quarters we have the same reports, the farmers are scouraged and disgusted with the sheep siness, and are determined to get out of i in the same way, that the warrior in old times untied a hard knot-by cutting their the suffering Swiss. Other congregations way out, in cutting the throats of sheep .of our city are moving in the humane di- This is a very direct and sure way of settling the business, in a way that it will stay settled, until the tide shall set in the other Messra. Pettengill, Bates & Co., the well wool growing as reckless as they now rush lirection, when they will rally back into known advertising firm, propose to issue a out of it, by cutting the throats of their new weekly journal entitled "Hearths and cows, hogs, or whatever else shall stand in

We have the names of four men, in three townships of the county of Lorain, who are slaughtering fifteen thousand sheep at this time. The sheep are bought up per head. Among these are fat wethers and good breeding stock of fair grade Merinos. In consequence of the early and abundant growth of fall feed since the rains of August, sheep are in good condition, and they are put into the cauldrons all together, reserving only the hams of the best condiloned sheep, to be cured and sold for meat. The principal object is the pelts, which We have just received the above works from | alone pay a fair profit on the whole purchase

tallow as a surplus profit. We learn from our Western exchanges,

firection much after the same fashion as in All we have to say in the matter is, if a farmer has a flock of good sheep which he occasionally as cases frequently occur when has carried over until this time, and now his presence is required, as they run back to thinks of throwing them away after this manner-pon't you no ir

> COURT OF COMMON PLEAS .- The present term of the Court of Common Pleas for 9th inst., Hon. P. B. Conant, of Portage, was done on the first day, except opening mon default. Afterwards the Grand July was empanneled, sworn and charged by the and announced the death of Hon. G. W. the first subdivision of this-the ninth Judi-5th Judicial Circuit, under the original organization of the Judiciary of Ohio, long nored members of the Ohio bar. Mr. such measures as should be suited to the occasion of the death of two of Ohio's distinguished jurists and moved that His Honor,

Judge Conant, be invited to preside. Upon the unanimous adoption of Mr. olger's motion and the appointment of A. Heldedbrand, Esq., Secretary, Mr. Folgr moved that a committee of five be appointed to draft and present at a subsequent scoundrelly penitentiary convicts, disfranting, such resolutions as should be suited | chised and illegally arrested by his persecutcasion, which resolution was adopted and Messrs, Folger, Bierce, Meyer and John Lahm, of Stark, and McSweeny, of Lahm moved that the meeting adjourn,

which was carried. Judge Conant, by his urbanity and cou tesy upon the bench, has already secured the favorable opinion of every member of with public favor.

THE great desideratum for readers, who wish to preserve copies of newspapers, music, letters, receipts and papers of all kinds, robbed half a mile out on the Berlin Road. is White's patent files. Illegal Voting Cases. A fair sample of 'Democratic frauds was fathomed by a jury of this county last week, and ascertained to be wholly legal, We menced on Monday the have heard much about the fraudulent presiding. Owing to the lateness of the Kent,' but we have always thought it was nour at which the Judge arrived nothing only the cry of "stop thief," made by the real criminals, in order to shield their own and adjourning till Tuesday morning 9 o'. real criminals, in order to shield their own clock when the dockets were called and a infamies. We are now prepared to assert ew unimportant judgments taken in cases it on the authority of a judicial investigation. In order to give this cry of "fraud" some semblance of truth, three citizens of Irish nativity were arrested and indicted for Folger, of Massillon, requested the atten- the crime of illegal voting at the October nce of the Judge and members of the bar, election, although, as the sequel proved, Belden, late of this county and late Judge of they had a legal right to vote. They demanded a trial. Themas Garvey, whose cial District, and Hon. George Bliss of case the persecuter thought most likely to Wayne Co. formerly President Judge of the result in conviction, having been committed to jail, was compelled to remain within its dreary, dismal walls to await his trial and Folger proposed that a meeting of the bar that trial was postponed until after the Presbe then held, for the purpose of adopting idential election, that day on which every freeman was breathing the pure air of heaven, wielding the ballot, that mighty engine of power, and executing a freeman's will, Garvey was a prisoner, inhaling the noxious atmosphere of a jail, forced to be the companion of burglars, forgers, thieves and

> than having exercised the rights of a freeman in opposition to their behests, His was not to vote, and why? His was not to make reply; Cross-bars at the right of him-Cross-bars to the left of him: Cross-bars all around him,

Blended and bolted.

ing political opponents for no other crime

A trial was had, and not a shadow of evience was produced to sustain the prosecution. The case was submitted to a jury, most of whom were Republicans, but all of whom were MEN and not mere PARTIZANS, and they immediately returned with a unanimous verdict of "not guilty." The Prosecuting Attorney with a PERSECUTING Witness by the name of Isaac Archer, patriotically rallied around Michael Halloran, who was the next to be tried, coaxing him to pay the osts and they would let him free of prosecuion. Michael told them he had no money, out so tenacious were these newly acquired FRIENDS that they proposed to advance mony for him and trust to his "honor" to pay back in labor. We regret to say that they finally succeeded in this way in getting this nnocent man to pay \$6,00, that being about half the amount of the costs. That evening Court to number 160, and said that it might be nollied. Oh, crime, how easily erased! Oh, innocence, how treacherously punished! ent the flow, but, before surgical aid co'd guilty of malfeasance in nollying the andictone case, the interests of the State would be unsafe under such guidance; and in the other, the rights of individual are jeopardized. The truth is, these men were innocent, but, by means of their arrest they were deterred from voting and many other voters were kept from the polls through fear of prosecution; for, if these innocent men, who had obtained their naturalization papers could be
